Recently, Slaughter 2: Prison Assault (MOD Unlimited Ammo) is a horror shooter game for Android and iOS released by Ray Spark. There are times when you have to admit that shooter titles are never old. Table of contents [ShowHide]A crazy drug was tested by a man named Tsantsa on the prisoners, making them to the true monsters bloodthirsty and scary. One day the scene in the prison was quiet at night. Suddenly, the other door flickered over a passerby. The guard panicked as he tried to escape. Finding ways to get out of this big prison is harder than going to heaven. Even when he runs away, his life is hard to keep, because the threats that always happen there. When you're in this situation, you think about death. Fortunately, a task force at that time attacked and broke into the prison to extinguish a series of insane inmates. In Slaughter 2: Prison Assault, you play a team member sent by the task force to break into their gang. Your job now is to kill the bloodthirsty people and prevent you from spreading to people. Start with 3 different levels like Beginner, Experienced, Veteran for the player. We recommend starting with the Beginner. Because if you don't use the skill, you're paying the price of your life. After this mission, will you survive? The answer will be answered later. Destroy the threatsIn Slaughter 2: Prison Assault you are always surrounded by bloodthirsty prisoners. They are like zombies in horror movies, always finding people to suck blood and spread the disease. With weapons in hand, you kill them with guns, daggers, or can use your own hands and combat skills to destroy any threat. At first, when you participate in the game, you will see Slaughter 2: Prison Assault not so different from the traditional shooting game. At first glance, this game also resembles Zombie shooter titles, but each game has its own interesting features. For example, The Killbox: Arena Combat, you will be in battles with your teammates in real time. But in Slaughter 2: Prison Assault, you join the task force and have to undergo quests alone. Complete the quests, knock down the thugs and the madman, discover the clues after the gruesome story place in Burdeck Prison. Graphics and controlsLaughter 2: Prison Assault is pretty eye-catching. Built on the stunning 3D graphics for mobile, every detail in the game is designed to be eye-catching and meticulous. After the experience, I feel the game is very well optimized, no delay situation to bring a great experience. The game brings players to the dreaded night scene, creating a dark and gloomy feel characteristic of the game atmosphere. Along with sound effects in Slaughter 2: Prison Assault adorns the action shooter scene. And with intuitive controls, you can control movement by sliding into the left corner of the screen and right-clicking to aim and shoot. Function keys and controls are cleverly designed, making operation easy on the compact screen of mobile devices. In conclusionNowadays, downloading a survival game is quite easy, but choosing a shooting game is extremely difficult. Slaughter 2: Prison Assault is a horror shooter game that brings you very intense and scary moments. It's more fun if you're the one who likes to experience it at night, with the atmosphere in the game. The game is currently available on two Android and iOS app stores, available for download via the links below. Download Slaughter 2: Prison Assault MOD APK for Android (Latest version) version)
